### **Notes**

1. Co-operative registered 16 February 1990 with 7 committee members.
2. The first AGM was held on 24 September 1992
3. Committee membership/attendance unclear from early minutes
4. 16 February 1990 - 24 September 1992 several people present at committee meetings without formal membership
5. Not clear when original members, Patrick Farrell and Roseanne Keaney ceased to be committee members
6. The above record therefore assumes that:
  - a) Patrick Farrell and Roseanne Keaney remained members of the Committee until the first AGM
  - b) Phemie Byrne, Lorraine Downie, Catherine Jack and Elizabeth Reilly became members at the first AGM
  - c) Those who attended committee meetings between 16 February 1990 and 24 September 1992, but who were not original members and did not stand for election at the first AGM, were not committee members between those dates. These include Louise Bridges, F Burns, Francis Byrne and Elizabeth Harland
7. Anne Quinn did not attend after election at the 1999 AGM. She is deemed to have left the Committee at the following Committee meeting.
8. Louise Bridges was elected at the 2012 AGM but declined to take up the position as she was moving outwith the area
