

**You are Invited to attend HMP Glasgow's  
Public Consultation event**

SPS & Kier Strategic Alliance team are taking the opportunity to hold a public consultation event to discuss the new HMP Glasgow prison development proposed for the former National Grid site off Royston Road, Glasgow.

The event will be run as a 'drop-in' session, where the public can attend between 2pm—6:30pm at your own convenience. The event is being held to share details of how the prison is being developed with the local community. The meeting will be publicly advertised and publicised on social media channels. It is an open meeting and as a previously identified stakeholder you are invited to attend.
